Aosta 29.01.2015

Dear Customer,

Regulation (EC) 1907/06 known as REACH (Registration, Evaluation and Authorization of Chemicals), lays down new rules for the management of chemical substances, and at the same time implies the need for an exchange of information between customers and suppliers.

We would like to inform you that Cogne Acciai Speciali s.p.a ensure the proper fulfillment of the obligations imposed by Community law , both as an importer and as a supplier.

In particular, the interpretation of REACH and ECHA guidelines define our products as articles, therefore not subject to the registration of substances constituents.

We also report that none of the SVHC (Substance of Very High Concern) list introduced by the Regulations , (Including EU 895/14, UE474 / 14, UE317 / 14, UE301 / 14), or amendments to Annex XVII final candidates for inclusion in Annex XIV is present in our products.

Cogne Speciali Speciali s.p.a. located in Aosta, has registered the substances contained in imported scrap . In particular , there have been intentionally recovered components : Iron, Chromium , Nickel and Molybdenum with the following registration numbers.

Iron registration number:	01-2119462838-24-0261
Chrome . registration number:	01-2119485652-31-0051
Nickel . registration number:	01-2119438727-29-0112
Molybdenum . registration number:	01-2119472304-43-0053
